

## IPC

In our topic 'Time Travellers' we will be learning about how people find out about the past, the clues we can uncover and how evidence tells us what happened in the past. We will be historians finding out about how past is recorded and represent. We will explore our own past and how we can find out more. Have much can you remember from your past? What can you find out?.

## English

We will be continuing to develop our inference and retrieval skills in literacy. We will be developing our ability to find information in a text to answer questions as well as drawing inferences from what is said and done by the characters in the stories. We will be developing our character description skills, focusing on the vocabulary that we use to give detailed imaginative descriptions of characters.

## Maths

We will be developing our understanding of money. Identifying how we can use different coins to make a specific amount, how to give change and solve problems with money. We will be learning how to find a fraction of an amount or object. We will also be learning the equivalence between a half and two quarters. We will be developing our understanding of time and how to read the time on an analogue clock.

# Sycamore Newsletter

## Spring Term 2 topic – Time Travelers

## Reminders and upcoming dates

Please ensure all children have a water bottle every day and suitable coat as the weather has been quite unpredictable this term!

**Please bring in your Reading Records every day** – we expect that the children are reading at home everyday. Please add comments about your children's reading.

Spellings are updated to Spelling Frame every week and the spelling test is every Friday.

Pupils in Year 2 have their times tables test on a Friday.

## P.E

### **P.E will be on a Tuesday and Thursday afternoon.**

In P.E we will be developing our balance and gymnastic skills. We will be developing our ability to balance and move along a range of apparatus. We will be developing our knowledge of a range of jumps and movements and how to perform these safely.

## Music

In music we will be learning a bout pitch through our music unit *Animals*.

## R.E and PSHEC

Our R.E focus this half-term is understanding how we show our appreciation for our world- harvest, celebrations and how different religions thank god.

In PSHEC we will be learning about life skills such as money/first aid.
