- No pencil cases needed - all stationery provided by the school
- Reading - please read every day, sign Reading Record Books

## Cedar Spring 2 2024

## Maths

Areas to be covered:

Year 5: decimals and percentages, perimeter and area, statistics, as well as arithmetic.

Year 6: fractions, percentages and decimals, area, perimeter and volume, statistics as well as practising their arithmetic.

## Earth as an island – geography, art and design and technology

This term as part of our International Primary Curriculum (IPC), we will be learning and exploring Earth as an Island: this will involve art work such as sketching, printing, collage and 3D models. The topic will also explore the impact of rising sea levels, coastal erosion, human and physical features of an island and using maps with 4 and 6 grid references.

The design and technology side will focus on designing a healthy smoothie, designing a menu for an island restaurant and preparing a Greek salad!

## English

For Reading, we will continue to explore 34 disabled artists, thinkers, athletes and activists from past and present, using 'I am not a label' by Cerrie Burnell. Following on from that, we shall read 'Boy in the Tower' by Polly Ho-Yen, where the children will know how to use stock phrases to support interpreting evidence, a range of techniques used to end chapters and how to motivate the reader to read on. Year 6 will also be learning Reading SAT's technique. In Writing, we will look at playscripts, biographies and poetry.

## P.E

Basketball, multi-sports and hockey using PE Pro. Sporting events within the Pioneer Academy will be organised.

## French

We shall complete our learning about pets and then move on to the Olympics.

## PSHEC

Rights and Respect.  
British values.

## R.E

What does it mean to be a Muslim in Britain - continued.

## Computing

e-safety: how to be safe.  
Computing systems and search engines
