## Brainwave - The Brain

We will be learning about the brain and neuroeducational research, connecting the science of the brain to the art of learning. We will be exploring ways in which we can use our brains to learn lots of new and different things every day, enabling us to gain the knowledge, skills and understanding that we will need to become successful adults. By finding out more about how we learn, and how we can improve the way that we learn, we will be better equipped for meeting the many challenges ahead of us. We will need to be metacognitive learners, scientists and internationally minded.

## English

Using the new CUSP curriculum, the children will be exploring Shackleton's Journey by William Grill to: understand third person stories set in another culture; understand formal letters of application; poems that use word play; dialogue in narrative; poems which explore; form balanced arguments.

## P.E

Multisports activities including football, netball and dodgeball. Children will learn to improve their coordination and the learn the value of team work.

## French

We shall be learning the names of shapes in French.

## Dates for your diary

Tuesday 26<sup>th</sup> September - Pizza Express: making a pizza!

## PSHEC

Getting on and falling out, including e-safety.

## R.E

Beliefs about God.

## Computing

e-safety: how to be safe.  
3D modelling using Tinkercad.
