

IPC

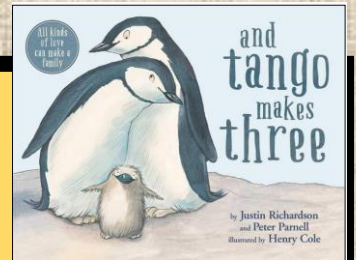

This half term our topic will be Look and listen and Green Fingers.

In Look and Listen we will learning about how sight and hearing work together and impact each other. We will also be look at different instruments and making our own.

In Green Fingers we will be learning all about plants. We will learn about the parts of a plant, how they grow and why they are useful. We will look at why climate is important to plant life and what impact big changes to climate would have. As part of our topic we will have a visit from Coolings Garden Centre to do a workshop with the children.

English

In this term in English we will be learning how to write recounts from personal experience, poems and informal letters. In our reading comprehension lessons we will be reading and answering question about the books 'There's a Rang-Tan in my bedroom' and 'And Tango makes three'.

Music

This half term will be learning to recognise different pitches.

ICT

This half term the childing will be learning about coding. The children will learn what an algorithm is. And how to create a computer program using an algorithm.
