

IPC

This term our topic will be 'The Earth: our home we will be learning that all living things – plants, animals and people – have a home or somewhere to live that we call a 'habitat'. A habitat can be huge like the ocean or small like a leaf. To survive, living things need to live in places that meet their needs. What do living things need to survive? How do different habitats provide for their needs? We will need to be scientists and geographers in order to answer these questions.

Music

For the summer term the children will be learning to play the ocarina as well as the unit 'Reflect, Rewind, Replay' which is focused around revisiting songs and musical activities, a context for the History of Music and the beginnings of the Language of Music.

Reminders

- Homework to be given out every Monday to be returned to school every Friday.
- Reading – please read daily and sign the Reading Records Book
- Water bottles brought in to class every day

PE

This term the children will be learning about Target Games as well as Athletics.

Outdoor Learning takes place every **Wednesday** afternoon.
Please make sure children appropriate clothing for the outdoor weather.

English

This term as part of our Writing curriculum, we will be Writing poems with humour as well as poems about change. In order to develop vocabulary, later in the term we will focus on writing character descriptions.

In Reading, we will be focussing on Fantastic Mr Fox by Roald Dahl.

ICT

This terms unit is designed to help the children with the knowledge and understanding to create Digital Paintings. We will be combining a rang of tools to create a piece of artwork.

RE

Our learning question is What makes some places sacred? We will be learning sacred places in the Christianity, Islamic and Judaism faiths.

Sycamore Summer term 2 – “The Earth: Our home”

Maths

During this term, the children will be learning about measurements of mass, capacity and temperature followed by position and direction.
